## **Attendance**

Please be sure to call the studio if your child will be absent for class. For regular absences, classes can be made up in a class of similar genre and placement. If your child misses 2 or more consecutive team dance classes or rehearsals (of the same routine), the class MUST be made up in a private lesson with the teacher. Private lessons are \$ 35.00 per half hour. Private lessons will be scheduled with the class teacher and paid to the teacher at the time of the private lesson. Any student missing more than 3 consecutive classes/rehearsals (without a doctor's note) will be considered in violation of team attendance and may result in suspension or expulsion from that team dance at competition regardless of fees and/or tuition paid. Attendance is Mandatory. Choreography, spacing and ultimately performance are all affected by absences. Students with excessive absences will not be allowed to perform at competition. All attendance decisions are at the teacher's discretion. Being part of the Team means Being There!
